- BeProperly Protected Ltd is an Appointed Representative of Moto Broking Limited, which is authorised and regulated by the Financial Conduct Authority (FCA number 715903).
- We only offer and arrange general insurance protection products from one insurer, Covea Insurance plc, who are authorised and regulated by the FCA.
- You must answer all questions honestly, accurately and to the best of your knowledge. Misleading information may mean a policy could be cancelled or void without refund, or the insurer could reject or only partially pay your claim.
- We are not making a personal recommendation based on your individual circumstances that the policy is suitable for your needs. You should read the policy summary and policy document carefully to ensure that it meets your needs and periodically review your level of cover to ensure that it remains adequate for your needs.
- By purchasing cover you agree to our Terms of Business and Privacy Policy, which are available on our website at [www.properlyprotected.co.uk](http://www.properlyprotected.co.uk)
- You are a resident of the UK, Channel Islands or Isle of Man and are the bank account holder with permission to set up a Direct Debit on that account.
- Please ensure you have read and understood the Policy Summary for each Covea insurance product being purchased, which includes the key terms, conditions and exclusions at [www.properlyprotected.co.uk/documents](http://www.properlyprotected.co.uk/documents)

### Post Sale:

- Please read all Policy Documents carefully as they include details about your cover, obligations, cancellation rights and our complaints process.
- You have a 30-day ‘cooling off’ period during which you can change your mind. If you cancel within this period, the insurer will refund any premiums you have paid. You can still cancel your policy at any time after the ‘cooling off’ period ends, but the insurer won’t refund your premiums.
- You must contact us if your circumstances change, for example, if you cease to be a UK resident, your chosen benefit level no longer meets your needs or the monthly STIP benefit exceeds 60% of your gross monthly income.

**IMPORTANT (STIP):** The insurer will not pay any benefits under this policy if inability to work is caused directly or indirectly by a pre-existing medical condition unless you have been symptom free and have not consulted a doctor or received treatment for the condition for at least 24 months after the start date.
